Aquinnah Board of Health

COVID-19 *no-contact* Testing Program:

for Town employees and residents

email: boh-assistant@aquinnah-ma.gov

phone: 508-645-2309

On June 8 2020, the Aquinnah Board of Health began providing COVID-19 test kits to Town employees and residents. Test kits are available for pick up at the BOH office window at Town Hall. Call or email to arrange a time; please provide your name and address.

The method of testing is a self-administered saliva collection. The test can be taken at home and includes everything you need to collect your sample and mail it to the lab for testing. The lab will email you the results within 72 hours. Please self-isolate in the meantime.

Feel free to contact the BOH with any questions or concerns. Dr Curt Cetrulo is overseeing the Aquinnah Board of Health *no-contact* Testing Program.

First register your test kit online: https://1health.io/register/

Patient Info:

- Your name, address, email and phone number
- Create a password
- Type in your Kit ID

Doctor Info:

- The doctor's name is: Curt Cetrulo
- The doctor's email for this project is: healthagent@aquinnah-ma.gov
- The doctor's fax number is not required; leave this field blank

Save and Register:

- When you complete the online form, click "save and register"
- The next screen brings you to instructions and a how-to video: https://www.youtube.com/watch?v=-iNNUhsQ75c#action=share

Test and Mail:

- Use the container provided to collect your saliva sample, treat and seal.
- Mail the sample to the lab; use the pre-addressed box provided; postage is pre-paid for USPS Priority Mail; last pick-up at the Chilmark Post Office is 2:30 pm.
